

End-User Licence Agreement

Last updated: 15 June 2021

Newtons4th offer several PC software programs that work together with our measurement instrumentation products.

These software programs are free running 'executable' applications not requiring installation and are available free of charge from our website or authorised sales outlets.

To use these applications, a one-time 'activation code' is required for any PC on which the application will be run. The activation code changes daily and is available by request to N4L offices or our authorised distributors.

When activating and using any Newtons4th PC software, a user is agreeing to be bound by the terms and conditions defined below that represent an 'End-User Licence Agreement'.

If you do not agree to the terms of this Agreement, you should not 'activate' the Application.

Newtons4th Ltd. (referred to herein as "the Company") grants you a revocable, non-exclusive, non-transferable, limited license to download, activate and use the Application in accordance with the terms of this Agreement.

Disassemble, modify, or reverse engineer, license, sell, rent, lease, assign, distribute, transmit, host, outsource, disclose or otherwise commercially exploit the Application or make the Application available to any third party.

The Company reserves the right to modify, suspend or discontinue, temporarily or permanently, the Application or any service to which it connects, with or without notice and without liability to you.
